INDUSTRIAL PARK STUDY COMPLETE

George Stein and Clayton King discussed the plans for the Industrial Park as the Board of Selectmen approved a final payment of $9,700.00 for the fee of Whitman & Howard, Inc. of Wellesley, Mass., who are architects and engineers for the study. The park is proposed for the industrial zone

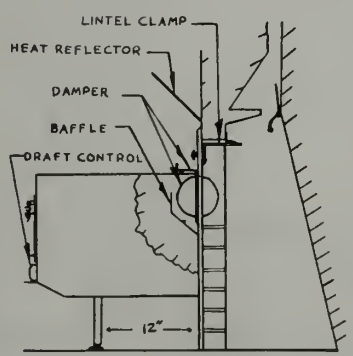
Convert your fireplace to an efficient home heater...with Better 'n Ben's

...BETTER 'N BEN'S THE FIREPLACE STOVE



FIRE BOX: 18" HIGH; 18" WIDE; 24" DEEP
DOOR OPENING: 9" x 13"
WEIGHT: 143 POUNDS
BACK PANEL: STANDARD-
34½" high x 42" wide

Note: This panel easily adaptable to most fireplaces.
Other sizes available on request.

Better 'n Ben's is the most exciting and innovative breakthrough in woodburning stoves since the Franklin.

Uniquely, but simply designed, Better 'n Ben's is placed directly in front of the fireplace opening. The combined stove and fireplace cover panel is securely and safely fastened in minutes so the stove utilizes the existing fireplace flue.

Now, instead of the heat going up the chimney, it is recovered and will provide warmth for large rooms and in many cases, entire homes. It will burn seasoned wood throughout the night.

Homeowner reports on this new stove cite up to 60% savings in fuel oil costs and the kilowatt consumption in electrically heated homes cut more than half.

Better 'n Ben's is attractive in the home and made of sturdy, long-life, heavy, black iron that radiates heat well. It has a broad top to provide a large cooking surface.

Fully guaranteed.

We have a kit available to convert Better 'n Ben's to a free-standing stove for use anywhere.

Also available: See-through Screen Door for viewing fire.

parallel to Route 195 on the south between North Street and the Marion line. This site now contains the Witt-Armstrong Caterpillar plant and the new Dennis Mahoney & Sons building.

The plan suggests development of the park in 2 steps. The Phase I development would contain 9 sites with 2 to 6 acres in each with an estimated total cost of over 2 million dollars for development costs. Of this amount, a possible 1.6 million could come from Federal agencies with a suggested 20% split between town and the owners of the property. An on site waste treatment plant would be built to accommodate both phases of development and could be tied into town sewage collection pipe at some future date. Initially, plans would pipe the treated wastewater and pipe it under North Street to a leaching area located on the former railroad bed. The estimated cost of the sewage and wastewater treatment is $485,000 in the Phase I estimates.

The total cost of Phase I is listed at $2,104,105 which figure is escalated by an estimated 1% per month as construction costs escalate. The total cost of the entire project is listed at $4,112,905.00.

The plan shows a layout in the shape of an elongated figure 8 with plots of various sizes and containing green belts and ponds to contain surface water. It is suggested that recreation areas could be accommodated in the area. The tract contains 11.5 acres of town owned land and 225 acres under

private ownership. Two possible options are suggested for the development - the town to acquire the land and become the initial developer by selling or leasing the land or else the town to acquire land for the sole purpose of providing a right of way and to provide utility services and then control development through strict zoning.

This plan contains detailed landscaping layout for the entrance with suggested trees and shrubs to beautify the approach on town land which was the former dump site. This area would contain a sign with "Mattapoisett Corporate Park" legend.

The Industrial Committee now suggests that the important question is "Is this something the town wants to pursue?" The Board of Selectmen has scheduled a formal presentation by Whitman & Howard spokesmen for Thursday, October 14, at 7:30 P.M. at the Town Hall Conference Room so that the public can be fully in-

GRANT $3,400 TO COUNCIL ON AGING

Selectmen and the Council on Aging met with the Finance Committee with a request for an additional $3,400. over the Council's budget for the year. The raise in the rent for the lunch program, the change from volunteer to paid driver of the bus and miscellaneous expenses made the request necessary. During the discussion it was explained that the Council hopes to expand the use of the bus to include trips and clinic visits. The bus, it was stated, now averages 8 passengers per day to the lunch program which averages 45 people per day. By asking FISH for help and by requesting private owners of cars who come for lunch to pick up other people it is hoped to free the bus for 2 days a week to be used for trips other than the lunch transportation. Finance Committee Chairman Joseph Travis strongly urged this effort. The Finance Committee granted the transfer.

GAMES DENIED

A request for amusement devices in a food serving establishment on Route 6 was denied to Bradford Taber of Fairhaven. Chairman R. William Blasdale told Mr. Taber that the Board of Selectmen had discussed the matter in detail and the decision was to maintain a policy of limiting such devices. He said that the town has few permits for this purpose and the Selectmen feel that it is in the best interest of the town not to grant any more.

MEET WITH SALVAGE OWNERS

Mr. Mandeville and his son appeared before the Board of Selectmen to discuss operation of the Mandeville yard on Route 6. They said that stripped cars have now been removed and will no longer be kept on the premises. They are making utility trailers out of old pick-up truck beds according to Mr. Mandeville and sought

BOARD OF HEALTH MEETING

The Board of Health told Selectmen that the Sanitary Landfill will remain open on Sunday from 10 to 3 until further notice. They said that many residents have requested the Sunday hours. They discussed the use of limited time dump stickers, replacement of worn equipment for the bulldozer and the preparation of the garbage collection contract.

TAX BILLS SOON

Tax Collector Allen Sherman, Mattapoisett, announces that Mattapoisett Real Estate Taxes will be mailed with the next two weeks. The State Cherry Sheet was late this year resulting in an unavoidable delay in the town rate setting and preparation of the tax bills.

"WILDLIFE AND NATURE PAINTINGS"

"It seems to me that the most important subject today is the natural environment ...that the success of the new world in terms of human fulfillment is going to be significantly dependent on how well we understand what the wild can do for us."

This is the view of James Stauffer, whose paintings will be shown at the Marion Art Center October 1 through October 24. It describes his love of the countryside of Alberta, Canada and New England. The wildlife of these areas is the main emphasis of the exhibit of acrylics, watercolors and drawings. The viewer will find panoramic scenes of the Rockies paired with microscopic views of New England wetlands. Mr. Stauffer is a self-taught painter and

Women's Alliance

The opening meeting of the 1976-77 season of the Women's Alliance, Fairhaven Unitarian Church, will be held on Thursday, October 14. There will be a petite luncheon served in the Parish House at 1:00 P.M. by the Opal Chain of hostesses, Mrs. Roger Leb. Allen and Mrs. Preston W. Gifford, Co-Jewelers. The luncheon will be followed by a business meeting with Mrs. Wallace F. Bither, President, presiding.

The program of the afternoon will be presented by Dr. Ellis H. Whitaker who will give an illustrated travelogue on Newfoundland and Canada where he and Mrs. Whitaker had an extended trip during the past summer. Dr. Whitaker retired last June as Professor of Biology at Southeastern Massachusetts University. There will be music for the program by Esther H. Whitaker, mezzo-soprano, well-known singer and choral director of the area; and Mildred Jones Keefe, pianist, accomplished musician and chairman of the Creative Arts Concert Series sponsored by the Arts Council of the Fairhaven Church. The Alliance program for the year has been arranged by the Program Committee: Mrs. Raymond McK. Mitchell of Fairhaven, Mrs. Oscar R. St. Jacques and Miss Keefe, chairman, of Mattapoisett.

O.R.R. Sports

The girls' volleyball team opened the season with an unfortunate loss to Westport, 2 games to 1 game. The JV team won however, by a 2 to 1 score also.

Coach Rodrigues had the following to say about his team: "We've got a winning team this season, we should go a long way."

The coach has four good reasons to say this: Betty Harkins, Alison Anselmo, Paula Wood and Kate Bauer. These girls are the co-captains of this year's team and were all highly praised by the coach. "Betty is our best back court player, probably one of the best in the area. She's everywhere on the court, loves to dive for the ball.

"Kate is our best front court player and one of our best servers.

"Paula and Alison are both great hustlers. They're quick and have great hands."

The game that the girls play is unlike the usual "beach" volleyball. It's the game of power volleyball and is governed by Olympic rules and an Olympic size court.

"They're all great," the coach added, "all of the girls. With a good team effort we should have a very successful season."

The team's second game was a success. The team defeated Bishop Gerard 2 to 1. Kate Bauer and Betty Harkins played very well in the win. Hopefully this is a showing of things to come for the remainder of the season. J.S.

Parent-Teacher's Club

The Parent-Teachers' Club had a very successful Reception-Open House for Mr. Reed on last Friday evening. Parents were able to view the new addition to the school, greet teachers and welcome Mr. Reed and his family to Mattapoisett. We were very pleased with the turnout for this evening as it reflects the interest and concern we all have in our children's education.

The Executive Board has received an excellent response to the newsletter that went home with each child. We would like to acknowledge all the memberships we have received and thank each and every parent who is now an active member of P.T.C.

We are busily working on our room-mother program and mothers will be contacted very soon. Our coordinators for each school are Mary Jean Blasdale, Old Hammondtown School; and Sue Watjen, Center School. We will be working hard to get the room mother program off the ground and hopefully making it a permanent program in our school in the coming years.

The P.T.C. will be selling T-shirts this fall as a fund raising to begin our new bookstores. We felt that for the children to have a place in each of their schools from which to purchase small, useful items would be of value. There will be one at each school with items available such as book covers, pens, pencils, pendants, T-shirts, erasers and perhaps more in the future. This is just a beginning and we feel it is a worthwhile project. The T-shirts are a high quality, 100% cotton, in navy with gold lettering of either Old Hammondtown or Center School. These are being ordered now so we will receive shipment before Christmas. For any further information please feel free to call

to the Editor

V.O.T.E.R., Voice of Truly Equal Representation, a Mattapoisett citizens group has been working on an amendment to the Old Rochester Regional School District to adjust representation on the Regional School Committee on a One Man-One Vote basis.

Recent discussions have dealt with the financial arrangements. There seems to be a belief that the capital costs of the High School were set up on a fixed basis. This is not true. Section IV (D-1) of the "Agreement between the towns" calls for capital costs to be apportioned by a formula concerning both the valuation of the towns (ability to pay) and the pupil enrollment.

The result is that even though Marion and Mattapoisett have an equal tax base, Mattapoisett pays about one third more than Marion for capital costs alone. Rochester also pays a larger share of capital costs than called for by percentage of valuation.

The Junior High School capital costs are based on valuation alone, apparently due to Marion's special interest in the school.

The agreements are discussed in detail starting on page 126 of the Mattapoisett Town Report of 1972.

What does this mean? That both operating and capital costs vary according to enrollment. Mattapoisett's enrollment has increased about 11.5% since 1961 while Marion's percentage of enrollment has decreased and Rochester remains about the same.

Mattapoisett pays a huge share of the total cost of the Region. Fiscal year 1974-75 shows Marion paying $540,814.34 (30.8%), Mattapoisett $858,318.41 (48.6%), and Rochester $362,075.25 (20.6%).

Total Regional District income for the year from all sources is close to $4,000,000, a big business figure.

No one has any reasonable financial complaints. The agreement has shifted capital and operational costs to Mattapoisett, but has not adjusted its representation. An adjustment in representation is a matter of basic fairness, and it would seem that the three towns could agree to a reasonable change without recourse to court decisions.

School Committee members have mentioned differences in philosophy among the representatives of the three towns. One basic

difference is that Marion's costs are well within Marion's ability to pay while Mattapoisett and Rochester must dig deep to pay their bills.

We ask the voters of all three towns to recognize that our agreement has shifted the cost base since 1961, but it did not provide for logical, and legal, changes in representation.

Youth Hockey

ROCHESTER YOUTH HOCKEY

With the first weekend of practice games finished, Rochester Youth Hockey, with a few adjustments in the line-ups, looks like it will be a major factor again in the Suburban Youth Hockey League.

The next coaches' and Board of Directors' meeting is scheduled for October 24th at 7:30 P.M. at Woody Hartley's, Route 105, Rochester.

Games scheduled for the weekend of October 9 and 10 are:

MIDGET DIVISION: Sunday, October 10, 9 A.M., Rochester No. 2 vs. New Bedford No. 2; and at 10 A.M., Rochester No. 1 vs. Dartmouth.

BANTAM DIVISION: Bantam A team has a bye on Saturday, October 9, at 6 to 7 A.M.; B Team, Saturday, October 9, vs. Dartmouth at 8 A.M.

PEEWEE DIVISION: Both Peewee teams share a bye on Saturday, October 9, at 8 P.M.

SQUIRT DIVISION: Both teams have a bye on Saturday, October 9, at 7 P.M.

Coaches in the above four divisions are reminded that final rosters are due on October 30, with the official league season starting November 6.

All money collected is to be turned into Sylvia Ouimet as soon as possible.

ELECT

CHARLES N. DECAS

BETTER QUALIFIED

AS OUR NEXT STATE REPRESENTATIVE

7TH PLYMOUTH DISTRICT
(Carver, Marion, Mattapoisett, Wareham)

Charlie Decas is an Achiever!

When others were satisfied with things as they were (as bad as they were) Charlie Decas got involved and got things moving.

The Way Things WERE:

1. Unplanned and runaway construction of excessive number of low income housing.
2. No Industrial Development plan.
3. Onset area ignored and allow- to deteriorate.
4. Wareham was probably alone among towns in New England by not having an appropriate war memorial to its honored veterans.
5. Welfare office in Wareham was about to be closed at a significant cost to the taxpayers and great inconvenience to recipients.
6. Town officials had paid little attention to the needs of the Town Library.
7. Wareham lacked water resources to meet its future needs.
8. Citizens of Wareham had no way of knowing the voting record of any selectman on Town Meeting Warrant articles.

The Way Things ARE:

1. Initiated a moratorium to control excessive building without planning. The town of Wareham can move forward in an orderly and sensible way.
2. Personally initiated the recently voted Wareham Industrial Park to create more jobs.
3. Organized and coordinated the Onset Revitalization Plan.
4. Researched and found available funds for the newly completed Veterans' War Memorial in a central location.
5. Immediately became spokesman and worked to prevent its closing by leading a group of area citizens to Boston and successfully acted as their spokesman.
6. Fought for and helped obtain long needed library funds resulting in improvements to Wareham Library.
7. As Water Commissioner, he helped initiate a water resource program which resulted in discovery of new potable water resources and construction of a conduit which insures Wareham residents of water until the year 2000.
8. Introduced a proposal making mandatory publication of Wareham Selectmen's voting record on Town Meeting Warrant Articles.

Someone has to Make it Happen!

CHARLIE DECAS CAN AND WILL AS OUR NEXT REPRESENTATIVE.

ELECT DECAS ON NOVEMBER 2nd.

Prenatal Classes

A new series of B.A.C.E. Prepared Childbirth Classes will begin on Monday, October 18th, at 7:30 P.M. in Fairhaven. The eight week series is sponsored by the Boston Association for Childbirth Education, Inc. and completion of the course will permit the father in the labor and delivery rooms at most local hospitals.

B.A.C.E. classes offer intensive training in breathing and relaxation techniques which can make labor and delivery more comfortable and enjoyable experiences. Each class series will include informal lecture and discussion, "floor work", lending library, three 16 mm films, printed review sheets, and physiology, medication and anesthesia, hospital procedures, breastfeeding and infant care, and coping with the emotional and physical aspects of pregnancy, childbirth, and postpartum. Special training will be given to the father as labor coach so the couples may share the work and joy of bringing their child into the world together.

To insure informal and individualized instruction, enrollment is limited and early registration is encouraged. For more in-

Mattapoisett Land Trust

A $5. investment in Mattapoisett's future -- that's the price of membership in the Mattapoisett Land Trust.

The annual autumn membership drive of the Land Trust is now under way with directors hoping as many year-round and summer residents of the town as is possible will support the organization.

Now two years old, the Land Trust is a private, non-profit, charitable organization incorporated under the laws of the Commonwealth of Massachusetts.

Its purpose is to promote for the benefit of Mattapoisett residents the preservation of open land and natural resources. It is also designed to help educate the public about the wise use of natural resources and to work with other organizations having similar purposes.

The trust seeks to acquire land through gift, purchase or conservation easement as a means of preserving the attractive natural heritage of our growing community for present and future generations.

To succeed, it needs the support of as many interested persons as is possible.

Memberships are available at $5. each (good until Sept. 1, 1977). Dues and any additional contributions to help the trust build up reserves for future land acquisition are tax deductible.

In its first year of operation, the trust received gifts of three parcels of land totaling nearly 27 acres.

Additional land, including more than one acre on the harbor in the village, was re-

MUSHROOMS

Join the Children's Museum staff at Museum Outdoors, 100 Old Westport Road, North Dartmouth, on this Saturday, October 9th, at 10 A.M. for a close look at the fleshy fungi known as mushrooms. The object of the hour long nature walk will be to search for mushrooms and to examine some of the characteristics of both the poisonous and edible varieties. You probably won't become a mushroom identification expert by the end of the walk, but (if the mushrooms cooperate) you will see much of the fantastic variety of shape, color, odor, habitat, etc. of our local mushrooms. The walk is for adults and children accompanied by an adult; the walk is free - donations always appreciated. Come this

CHILDREN'S PROGRAM ON "THE OSPREY"

At 2 P.M. on Saturday, October 9th, at the Children's Museum on Russells Mills Road in Dartmouth, Mr. and Mrs. Gilbert Fernandez will present an illustrated program entitled: "The Osprey". The Fernandez have worked closely with ospreys: banding the young birds, building nesting platforms, and keeping watch over the welfare of the eggs, young hawks, and adult ospreys. They will show the children many beautiful slides of the osprey, also known as the "fish hawk" and will explain the life history of these beautiful local birds. Advance registration

ARTHUR FIEDLER AND BOSTON POPS AT SMU

Arthur Fiedler and members of the Boston Pops Orchestra will offer a full "pops" bill-of-fare at Southeastern Massachusetts University on Sunday, October 10.

Selections will include "The Emperor Waltz", music from "West Side Story", "Pomp and Circumstance", and the popular "Love Will Keep Us Together". The program will end with an audience sing-along.

Time is 8:00 P.M. in the SMU gymnasium.

Commenting on the Pops concert with its unique local interest angle, Dr. Donald E. Walker, SMU President, says: "We are proud to be able to bring to the people of this region a cultural event of

such magnitude. In doing so, we hope that we are fulfilling one of the University's purposes for existing. The University is here not only to serve the students -- its primary function -- but also to serve the surrounding communities by providing them with meaningful activity that otherwise might not be available."

The first Pops concert, or Music Hall Promenade Concert as it originally was called, was held on July 11, 1885. The aim was simple: to keep the excellently drilled Boston Symphony musicians at top performance level during the usually inactive summer months. In the decades since then, the Pops, as it inevitably and affectionately became known, made an indelible mark not only on the musical history of its home city, but on the musical taste of millions throughout the world. DANISH GYM TEAM AT SMU

The world-touring Danish Gym Team, its members selected from the most skillful gymnasts in Denmark, will make its only Massachusetts appearance at Southeastern Massachusetts University on Tuesday, October 12, at 8:00 P.M. in the SMU gymnasium.

In addition to gymnastics the boys and girls of the troup will perform native Danish folk dances in colorful native costumes. Most of the program is accompanied by music, both classical and modern.

The Danish Gym Team has performed in countries all over the world including communist China. It appeared at the Olympic Games in Mexico City. This year the group is booked at 50 universities and colleges in the United States.

The newspaper New Delhi Statesman, commented on the team's performance there: "Danish gymnasts make it a wonderful treat.

"Gymnastics poetry was written, gracefully, precisely and powerfully, as a superb

"JUDGEMENT" AT SMU

"Judgement" -- a play the Boston Globe called "powerful, stomach-churning, a stunning tour de force, a major event" -- will be presented at Southeastern Massachusetts University on Friday, October 8, at 8:00 P.M. in the SMU auditorium.

"Judgement", which played to packed houses last season in New York and Cambridge, is based on an actual incident of World War II when seven Russian prisoners of war were inadvertently locked in a cell by the Germans without food or water for 60 days. Only two survived, one of them a raving lunatic as a result of the experience. How the two came through alive is the chilling theme of the play.

"Judgement" was written by English playwright Barry Collins. It is a production of a group called The Cambridge (Mass.) Ensemble. Frank Licato and Tim McDonough star. Direction is by Joann Green.

"Judgement" is a presentation of the SMU Cultural Affairs Committee.

Danish team went through a series of beautiful ballets at the National Stadium on Saturday evening. For two hours it was a sheer delight - even for those who know nothing of the sport.

"Fluency, grace and perfect timing through all its spectacular patterns kept the crowd breathless. To add to it all was a dash of humor - the crowd holding its sides in splits of laughter.".

Ticket information may be obtained by calling 997-9321, extension 694, at SMU. Tickets are available at Midland Records in the North Dartmouth Mall, Charlie's Sports Shop in the K-Mart, or at Uncle Ernie's Corner in the SMU Campus Center.

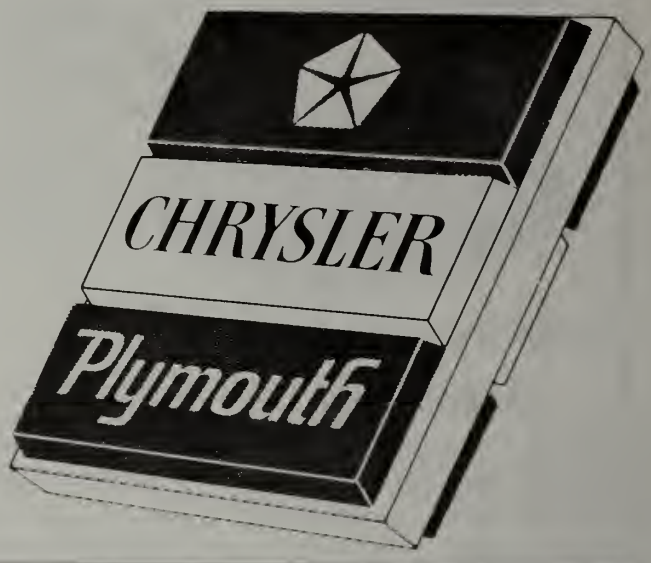
The Cars that are LOOKING GOOD IN

1977

ARE ON DISPLAY



VOLARE -- PLYMOUTH'S INSTANT SUCCESS COMPACT -- features increased rear seat leg room in coupes for 1977 and an optional 225-2 barrel "Super Six" engine. Three body styles on two wheelbases are offered. At right, the sporty ROAD RUNNER with optional "T-Bar" roof and "Super Pak" dress up package. 318 V-8 is standard engine, heavy duty suspension, three-speed manual transmission with floor-mounted shifter, all standard. Many options!

CORDOBA, THE MOST SUCCESSFUL CAR EVER TO BEAR THE CHRYSLER NAMEPLATE, has new front and rear styling for 1977. There are luxurious interiors and new optional roof treatment, including a padded "Crown" roof with illuminated roof band, shown at left. Another optional "T-Bar" roof has two removable smoked glass panels to provide the open air feeling of a convertible.

ROOMINESS in a small car is a prime feature of the popular 1977 PLYMOUTH VOLARE STATION WAGON. Premier model, right, includes simulated exterior woodgrain treatment and new optional tan plaid cloth seating package with 60/40 split bench front seat. Fuel tank capacity has been increased to 20 gallons. There's a new 225-2 barrel "Super Six" engine option, too.

Broad range of options; new colors for both interior and exterior for 1977. See why the Volare wagon exceeded all sales expectations in its first year .. now even better!
